

Good Value is No Longer Good Enough

Better Scopes Will Save You Money

Retailers do not need people to run things like before, they need better. Budgets are slashed and more is expected. Every dollar counts. It takes a different mindset. It takes an open mind and the right vendor.

Scope Matters

Combining previously unrelated work is just one of the many ways Resicom gives you more for each dollar. Adding other work to a base project saves time and money.

Why a Smarter Visit Works

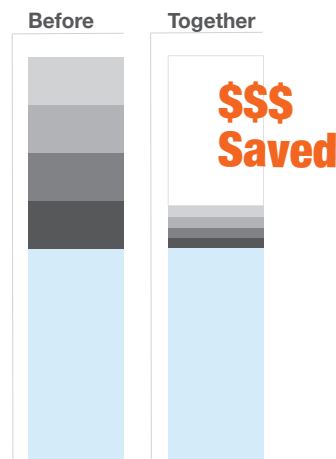

With the right vendor each visit can be smarter. Our skilled tradesmen are Ultratechs™ — they “get it”, know how to get the job done right and communicate well. They use their time on-site smartly, completing a variety of tasks bundled together for a better visit.

Our Ultratechs,™ skilled repairmen are cross trained:

- Your Specialty Items
- Custom Checklists
- Common Repairs
- All Finish Work
- Data Capture
